SENATE RESOLUTION

REQUESTING THE HAWAII TOURISM AUTHORITY TO CONVENE A GLOBAL
ARTIFICIAL INTELLIGENCE SUMMIT IN 2020.

1 WHEREAS, artificial intelligence is on track to be one of
2 history's most impactful scientific advances; and
3

4 WHEREAS, artificial intelligence is intelligence
5 demonstrated by machine, wherein machines mimic human cognitive
6 functions like learning and problem solving; and
7

8 WHEREAS, the benefits of artificial intelligence currently
9 outweigh its costs; and
10

11 WHEREAS, advances in science are being used to benefit
12 fields as diverse as trucking, medical diagnosis, and finance;
13 and
14

15 WHEREAS, however, many experts warn of the dangers
16 associated with artificial intelligence, such as autonomous
17 weapons, social manipulation, and invasion of personal privacy;
18 and
19

20 WHEREAS, the United States and other global nations should
21 examine the best ways to integrate and approach artificial
22 intelligence to leverage its advantages and prepare against
23 potential harm; and
24

25 WHEREAS, due to its central Pacific location and close
26 proximity to Asia, Hawaii is an ideal place to host a global
27 summit on artificial intelligence; now, therefore,
28

29 BE IT RESOLVED by the Senate of the Thirtieth Legislature
30 of the State of Hawaii, Regular Session of 2019, that the Hawaii
31 Tourism Authority is requested to convene a global artificial
32 intelligence summit to be held in 2020; and
33

34 BE IT FURTHER RESOLVED that the purpose of the summit shall
35 be to gather experts from around the world to discuss
36 innovations in artificial intelligence technologies and share

1 and develop practical applications for artificial intelligence
2 technologies; and
3

4 BE IT FURTHER RESOLVED that certified copies of this
5 Resolution be transmitted to the Director of Business, Economic
6 Development, and Tourism and President and Chief Executive
7 Officer of the Hawaii Tourism Authority.
